A. DEFINITIONS

1. Grievance
A "Grievance" shall mean only a claim that there has been a violation, misinterpretation, or a misapplication of a specific provision of this agreement.
2. Grievant
A "grievant" is the employee or the Association making the complaint.
3. Party in interest

4. Days
The term "days", as used in this Article, shall mean calendar days except Christmas vacation and unless otherwise specified.

B. GENERAL PROCEDURES

1. Time Limits
The number of days, indicated at each level, shall be considered as a maximum. The time limits specified may, however, be extended by mutual written agreement.

The failure of a grievant to act on any grievance within the prescribed time limits will act as a bar to any further appeal, and an administrator's failure to give a decision, within the time limits, shall permit the grievant to proceed to the next step.
2. Year-End Grievances
In the event a grievance is filed at such time that it cannot be processed through all the steps in this grievance procedure by the end of the school year, the time limits set forth herein shall be proportionately reduced so that the grievance procedure may be exhausted prior to the end of the school year, or within a maximum of twenty (20) days thereafter. Any arbitration hearing scheduled under this provision shall be held no later than August 1 of the year in which the grievance was filed.
3. Processing Grievances
A grievance may be processed during the workday by mutual agreement between the Board and the Association.
4. Exception
In matters dealing with alleged violations in those areas over which a principal has no authority to grant the appropriate relief, the grievance shall be initiated at Step 2 within fourteen (14) days of the act or condition giving rise to the grievance.

5. Individual Rights

Grievants may be represented at any step of the procedure set out in Section C of this Article by themselves and/or at their option, by an Association representative chosen by the Association.

C. PROCESSING GRIEVANCES

1. First Step (Principal)

- a. The parties in interest acknowledge that it is preferable to resolve problems through informal discussion. If the employee believes that a grievance exists, the employee, hereinafter the grievant, shall complete, deliver, and file with the principal the written Grievance Form set forth in Schedule A (Grievance Form) within fourteen (14) days of the act or condition giving rise to the grievance.
- b. A meeting to discuss the grievance shall be held at the request of either the grievant or the principal. The principal shall make a decision on the grievance, enter such decision on the Grievance Form, and communicate such decision in writing to the grievant and Superintendent within fourteen (14) days after receipt of the Grievance Form.

2. Second Step (Superintendent)

- a. In the event that a grievance has not been satisfactorily resolved at the First Step, the grievant shall file a copy of the Grievance Form with the superintendent within fourteen (14) days of receipt of the principal's written decision at the First Step or within fourteen (14) days after the act or condition giving rise to the grievance if the grievance is initiated at Step 2.
- b. A meeting to discuss the grievance shall be held at the request of either the grievant or Superintendent. The Superintendent shall file an answer within fourteen (14) days of receipt of the grievance and shall communicate such answer in writing to the grievant and principal.

3. Third Step (Board of Education)

- a. In the event that a grievance is not satisfactorily resolved at the Second Step, either the grievant or Board of Education shall have the option to request a hearing before the Board of Education on the unresolved grievance within fourteen (14) days after the decision at the Second Step. Such hearing shall be held at the request of either the grievant or Board of Education within fourteen (14) days from the date of request.

4. Fourth Step (Binding Arbitration)

- a. Initiation of Fourth Step
 - (1) If the Third Step option has been utilized and if a grievant is not satisfied with the disposition of the grievance at the Third Step, or if no decision has been rendered within fourteen (14) days after the date of the Third Step hearing, the grievant may request in writing that the Association submit the grievance to arbitration.

- (2) If the Third Step option has not been utilized and if the grievant is not satisfied with the disposition of the grievance at the Second Step, or if no decision has been rendered within fourteen (14) days after the Superintendent received the grievance, the grievant may request in writing that the Association submit the grievance to arbitration.
- b. If the Association determines that the grievance has merit, it may, by written notice to the Superintendent within fourteen (14) days after receipt of the request from the grievant, submit the grievance to binding arbitration.
 - c. Within five (5) days after such submission to arbitration, a written request for a list of Arbitrators shall be made to the Public Employment Relations Board (PER Board) by the Association. The list shall consist of five (5) Arbitrators each of whom is listed with the American Arbitration Association, and the parties shall determine by lot which party shall be required to remove the first name from the list. The parties shall strike four names from the list with the first name stricken by the party required to do so and the remaining names stricken by the parties in alternation. The person whose name remains shall be the Arbitrator. The parties shall be bound by the rules of the American Arbitration Association, except for the selection process.
 - d. The arbitrator selected will confer with the representatives of the Superintendent and Association and will issue his decision not later than thirty (30) days from the date of the close of the hearings, or if oral hearings have been waived, then from the date the final statements and proofs are submitted to him.
 - e. The Arbitrator's decision will be in writing and will set forth his findings of fact, reasoning, and conclusions on the issues submitted. In the decision, the Arbitrator shall not amend, nullify, ignore, or add to the provisions of the Agreement. The decision of the Arbitrator will be submitted to the Board and to the Association and will be final and binding upon the parties. Relief granted by the Arbitrator shall be prospective only.
 - f. The costs for the services of the Arbitrator, including per diem expenses, if any, and his travel and subsistence expenses and the cost of any hearing room shall be borne equally by the Board and the Association. All other costs will be borne by the party incurring them.

D. EXCLUSIVE GRIEVANCE FORM

Any protests regarding the information on the seniority list must be made in writing to the Superintendent not later than fifteen (15) days following the Association's receipt of the seniority list or the posting of the seniority list. The failure to protest concerning an employee's seniority date shall bar the employee and the Association from challenging said information until the delivery of the seniority list during the following year.
- D. Seniority shall apply to the provisions of this contract only where it is specifically incorporated by express reference.

A. PHYSICAL EXAMS

The Board shall pay up to fifty and no/100 dollars (\$50.00) toward the cost of a new employee physical examination required by the rules of the Department of Education. The report of the new employee physical examination shall contain only the following: a statement certifying that the employee has the fitness to perform the tasks assigned. Whenever the Board determines that an employee must submit to an additional physical examination, the Board shall pay the full costs of any physical examination, laboratory tests, and x-rays required by it. The Board and the employee shall attempt to agree upon the physician and/or hospital to be used for such additional examination. If the Board and employee cannot agree, the Iowa Medical Society's peer review committee shall be asked to designate a physician and/or hospital.

B. SCHEDULING

1. New employees hired on or after August 15 shall make every effort to schedule the examination required as a condition of initial employment during non-school hours. If they are unable to do so, the Superintendent shall grant them reasonable release time without loss of pay for the purpose of complying with said Board-required examinations.
2. Employees who are required to submit to any physical examination, laboratory test, or x-ray during the regular school year shall make every effort to schedule the same during non-school hours. B. UNSAFE OR HAZARDOUS CONDITIONS

This report shall be in writing and on a form provided by the School District and available in each building office. Upon delivery of said written notice, the employee shall be relieved of any and all liability or evaluative accountability for any subsequent injury or accident arising from the existence of the unsafe or hazardous condition.

Employee Evaluation Procedure

A. TIER 1 – BEGINNING TEACHER EVALUATION

REQUIRED ACTIVITIES

Initial Meeting – Prior to Oct. 1, the building administrator will meet with all beginning teachers to review the Beginning Teacher Plan expectations and evaluation timelines. At this time, the administrator will provide staff with copies of all evaluation guidelines.

Year One and Two

1. Formal Observations

- Three formal observations will be conducted for each teacher in year one and two.
- Two formal observations must be conducted prior to Feb. 1st.
- The third observation must be held prior to the required summative evaluation conference (to be completed by March 30).
- Each of these observations will have a pre-observation and post-observation conference.
- Additional formal observations may be conducted at the discretion of the administrator.
- The teacher must complete and be ready to discuss the required pre-observation and post-observation forms with the administrator at these conferences.

2. One of the formal observations will be of an extended duration. At the elementary level this is defined as an observation of at least two to three consecutive hours. At the secondary level it should involve observing the same class period for two or three consecutive days.

3. Informal observations may also be used at the discretion of the administrator. These may include unannounced classroom observations or walkthroughs, professional behaviors in a variety of settings, and involvement in extra-curricular school activities and functions.

4. A cumulative professional portfolio will be created and maintained by all beginning teachers in year one and two. The administrator and the beginning teacher will review and discuss the portfolio at scheduled conferences.

5. A final summative conference will be held with the first-year teacher on or before March 30. The purpose of the conference will be to provide the teacher with a current performance review with feedback and explanation based on the required and informal evaluation activities conducted during the year. A comprehensive evaluation will be held with the second year teacher on or before March 30. The written evaluation must include the administrator's licensure recommendation for the teacher or a recommendation for continued participation in the District's Mentoring and Induction Program. This continuing participation should not exceed one year.

6. The administrator and beginning teacher recommended for licensure will meet prior to October 1 of the following school year to cooperatively design an Individual Professional Development Plan.

B. TIER 11 – EVALUATION FOR CAREER TEACHERS

A collaborative process should guide the development of the Individual Teacher Career Development Plan.

- Initially, staff members will develop a draft of their plan.
- Staff members who will be working individually on a one-year plan will meet and collaborate with the supervisor/responsible administrator to review, refine, and finalize the plan by October 1.
- Individuals designing a multiple year plan and teams of staff who will be developing a common plan for multiple years should meet with the responsible administrator by November 1.
- Plans that do not meet this requirement will be considered only in special circumstances.

If individuals or teams are involved in multiple year plans, a written review of progress should be submitted by the team or the individual to the responsible administrator by May 15 of year one (if a two-year plan) and by May 15 of year one and two (if a three-year plan). An annual conversation with the teacher's supervisor must be held to reflect on progress of the career development plan. This should be held after the teacher or team has completed the written review of progress.

End-of-Plan Evaluation

At the completion of the Individual Teacher Career Development Plan, two separate but necessary activities will occur. The first part of the process (the formative component) is the development of a written review of the progress and the outcomes of the completed Individual Teacher Career Development Plan.

- The write-up of this review should be developed by the individual/team and by the responsible administrator.
- It should be written during the performance review at the end of the plan and should reflect the quality and tone of the conversation.
- The individual/team should come to the performance review with a draft of their comments and the results/product(s) of their work.
- A copy of this Individual Teacher Career Development plan write-up will be placed in the individual's district file; and in the case of a team plan, a copy of the team write-up will be placed in each individual team member's district file.

The second part of the end-of-plan experience (the summative component) involves the development by the responsible supervisor/administrator of a separate, written evaluation for each staff member involved in the professional development plan.

- The evaluation should be determined by the information collected during the continuous assessment of each staff member's overall performance over the period of time covered by the length of the professional development experience.
- Consequently, this summative evaluation could cover a one-, two-, or a three-year period of time but must occur at least once every three years through a performance review.
- This evaluation should be presented to and discussed with the staff member in an end-of-the-year performance review.

Staff Reduction Procedures

A. NOTIFICATION

On or before April 30, the Superintendent shall issue a notice or recommendation to terminate an affected employee in accordance with Iowa Code Chapter 279.

B. CLASSIFICATION

Employees shall be classified in the following manner for purposes of staff reduction and shall be laid off in accordance with said classifications: grades K-6 (including Title I and TAG); grades 7-12; and grades K-12 for music, physical education, art and special education. Reduction in the 7-12 grade level classification shall be within curriculum areas (e.g. social studies, science, etc.). Title I or TAG teachers in grades 7-12 who do not have certification for grades K-6 shall be classified in the subject matter area (e.g. math or English) closest to his or her teaching duties if he or she is certified in that area. If he or she is not certified in that area, he or she shall be classified in the curriculum area closest to his or her major area of preparation.

Employees shall be classified based upon their teaching assignment during the school year in which the staff reduction procedures are commenced.

An employee with an assignment in more than one of the categories listed above in this section shall be classified in all the curriculum departments in which he/she is assigned.

C. LAYOFF PROCEDURES

1. The Superintendent shall first attempt to make all reductions in staff through attrition and transfer.
2. If attrition or transfer fails to accomplish the reduction in staff, then employees in the classification in which reduction is sought shall be laid off on the basis of seniority with the least senior employee being selected for layoff first (the "designee").

The designee shall then be pooled with all employees currently teaching in those areas of the designee's certification in which the designee has taught for the River Valley Community School District.

The employee(s) to be laid off in the pool described in C(2) above shall be determined on the basis of seniority with the least senior employee being laid off first. This process shall be repeated until the least senior employee possible in the classification (K-6, 7-12 or K-12) has been laid off. In the event that this process results in two or more employees with equal seniority being left for consideration for reduction, then the District shall select the employee to be reduced based upon the District's staffing needs.

The effective date of layoff shall be the last contracted day on which the employee performs his/her services for the District.

The Superintendent shall not be required to serve a termination notice on an employee if termination of the employee served with the notice would not accomplish the reduction sought by the District.

D. RECALL AND BENEFITS

1. If there is a vacancy in any bargaining unit position, laid-off employees with certification for the vacant position and previous teaching experience within the River Valley School District in the department in which the vacancy has occurred, shall be recalled in reverse order of layoff. Departments shall be classified as follows:
 - TK – 6 Classroom Teacher
 - TK-6 Special Education
 - TK- 6 Physical Education
 - 7-12 Special Education
 - 7-12 Physical Education
 - ELC Special Education
 - TK-6 Guidance
 - K-6 Music
 - 7-12 Guidance
 - 7-12 Music
 - K-12 Media
 - K-12 TAG
 - 7-12 Subject Areas of Language Arts, Math, Science, Social Studies, Business, Ind. Tech, Family/Consumer Ed., Art, Spanish”
2. The Board shall notify an employee of his/her recall in writing by certified or registered mail to the employee's address on file with the Board. An employee's failure to respond affirmatively in writing within ten (10) calendar days, excluding Saturdays, Sundays, and holidays, after receipt of the recall letter shall result in termination of the employee's recall rights. If a recall letter which is addressed to the address supplied by the employee and which contains the required postage is returned to the Board by the U. S. Postal Service, then the employee's recall rights shall terminate.
3. A laid-off employee shall retain recall rights for two (2) years from the effective date of layoff unless the employee waives same in writing.
4. An employee reemployed under this Article will be placed on the salary schedule at the last step attained at termination and be reinstated with sick leave days accumulated at the time of termination.

ARTICLE 18

Transfers

A. DEFINITION

Any change in an employee position involving one or more of the following criteria shall be considered a transfer: (a) a movement from K-6 to 7-12 or from 7-12 to K-6, (b) a movement from one area of broad certification to another (e.g., social studies to science), or (c) a movement to a different site, unless a whole grade or class is transferred.

B. OTHER CONSIDERATIONS

Although not considered a transfer when K-6 reassignments are made, the following procedure shall apply:

Unless an emergency situation exists (late resignations, illness during the year, etc.), where possible, the employee shall be given 45 days notice prior to the reassignment. The employee, by request, shall also be given the right to meet with the administrator who recommended the assignment change to discuss the reasons for the reassignment.

If the position would reopen within three years, the employee who was reassigned shall be given consideration in refilling the position. The final decision concerning who will fill the position, however, shall be made by the administration.

C. VOLUNTARY TRANSFERS

1. The Superintendent shall determine whether a vacancy is to be filled by a current employee or a new applicant.
2. If a position becomes vacant during the school year and the position is to be filled by a current employee, the position shall be posted in all buildings not less than five (5) workdays before the position is to be filled. Employees who desire to be considered for such position shall notify the Superintendent's office in writing before the end of the posting period. A voluntary transfer during the school year will be made at the sole discretion of the Superintendent.
3. If a position becomes vacant for the following school year and it is to be filled by a current employee, the following procedure shall apply:
 - a. Such position shall be posted in all buildings for not less than five (5) weekdays (excluding Saturday and Sunday) before the position is to be filled. Notice shall also be sent to the Association within the time noted above.
 - b. Employees who desire to be considered for such position shall file a written request with the Superintendent's office before the end of the posting period.
 - c. If only one employee applies for the position, said employee shall receive the position provided he/she has the necessary endorsements.

- d. If more than one employee applies for the position, the employee with the greatest seniority shall fill the position. If two or more employees seeking the position have the same seniority, the position shall be filled by the employee with the best then current year evaluation(s).

D. INVOLUNTARY TRANSFERS

1. When no employee applies for a vacant position, the Board retains the right to involuntarily transfer an employee to such vacancy or to hire a new employee.
2. When a position becomes vacant during the school year and no employee has applied for the vacancy, the involuntary transfer which is least harmful to the quality and continuity of instruction shall be made.
3. The Superintendent shall have the authority to make whatever involuntary transfers as are necessary to avoid staff reductions.
4. Except as set forth in paragraph 3, when a position becomes vacant for the following school year which the Superintendent determines is to be filled by involuntary transfer, the following procedure shall apply:
 - a. The decision regarding an involuntary transfer shall be made by the Superintendent based upon the certification of the employee, the seniority of the employee and the needs of the School District.
 - b. Where possible, notice of a prospective involuntary transfer shall be given to employees fifteen (15) days in advance.
 - c. In the event that an involuntary transfer results from staff reduction circumstances, the Board may make such transfers as will best implement the provisions of the Article on Staff Reduction Procedures without regard to seniority.
5. Employees who want to be considered for their previous position before being involuntarily transferred, shall notify the Superintendent's office in writing before June 1st of each year. If that past position becomes open and the involuntarily transferred employee's current position can be filled with a suitable replacement, the employee will be assigned their past position as requested.
